

Network Operating Systems
CPTR 2272
Lab 10

- Contact your instructor with your questions about the assignments.
- The student must insure all the answers are free from any malware.
- The student must insure all answers are legal as defined by the class syllabus.
- All parts of your answers must be neat and easy to read.
- Paragraphs are at least four properly constructed English sentences.
- Embedding documents within documents does not work with the D2L Bright Space assignments.

Lab 10: Server and Network Monitoring

10.1 Each subsection is worth eight points to a maximum of twenty-five points. Students may upload the appropriate csv file to the D2L Bright Space Assignments section 10.1 before the due date found in the 2272a.pdf document.

- 10.1.1 Simulator lab 1.11.6 Troubleshoot Dynamic DNS
- 10.1.2 Simulator lab 1.11.7 Troubleshoot DNS Records
- 10.1.3 Simulator lab 8.1.5 Add Role Services for DFS and Create a Namespace

10.2 Upload your answer(s) to the D2L Bright Space Assignment section 10.2 before the due date found in the 2272a.pdf document.

- 10.2.1 Provide the complete text of a job advertisement you might apply.
- 10.2.2 Provide a complete copy of your resume for the submitted job advertisement. The resume must include.
 - 10.2.2.1 Your Name
 - 10.2.2.2 Your Professional Contact Information
 - 10.2.2.3 No spelling or grammar errors
 - 10.2.2.4 How you meet or will meet each requirement in the job advertisement
 - 10.2.2.5 The resume communicates all requested information in a very quick reading

10.3 The entire lab is twenty-five points. Report your score of the Microsoft 70-741 Certification Practice Exam found on the simulation site. The reported results will be from running the exam in assessment mode (Exams | Assessment Mode). The minimum acceptable test score grade is 10%. Students may upload the appropriate csv file to D2L Bright Space Assignments 10.3 before the due date found in the 2272a.pdf document.

10.4 Upload your answer(s) to the D2L Bright Space Assignment section 10.4 before the due date found in the 2272a.pdf document. In a perfect world, you should complete all the lab sections before completing this lab section; however, you must wait to complete this lab until week 14 of the semester. Submit a Portable Document Format (PDF) or word processing file containing your answers.

- 10.4.1 Identify the lab or lab section that was most difficult for you. Provide at least one sentence explaining why this was the most difficult lab or lab section.
- 10.4.2 Identify the lab or lab section that was the easiest for you. Provide at least one sentence explaining why this was the easiest lab or lab section.
- 10.4.3 Identify the lab or lab section you learned the most. Provide at least one sentence explaining why you learned the most from this lab or lab section.
