TestOut Purchasing

You may purchase your TestOut activation code from the bookstore or from TestOut. The directions for direct purchase from TestOut follow.

Online Ordering

- ❖ Go to www.testout.com and enter Promotion Code: **14-232TA** in the Enter Promotion Code box located in the lower right corner.
- ❖ You need to know the name and version number of the LabSim course being used in your class.
 - **TestOut** Server Pro 2016: Networking
 - **ISBN:** 978-1-935080-67-1
- ❖ To validate the order, you need to enter school name and teacher name. *(Be sure the school name matches exactly as listed below. I recommend students copy and paste the school name into our order system.)*
 - School Name: **Minnesota State Community & Technical College – Moorhead**
 - **(Make sure to add spaces by hyphen)**
 - Teacher Name: **Tim Preuss**
- ❖ You will be emailed your LabSim activation code and instructions to access LabSim.
- ❖ LabSim content is accessed online and the best method to create an Account and Login to LabSim is from <http://www.testout.com>.
- ❖ **LabSim license is good for 18 months** from the date the LabSim course is activated by the student.
- ❖ For any questions or labSim issues you can contact **TestOut support** at 1-800-877-4889 x405 or support@testout.com.

Please, please use your MSCTC or M State email address as part of your registration. This makes finding you much easier in TestOut system. The class name is **cptr2272-spring2023**.
